

INTRODUCTION TO WORKING WITH ANGELS

This book study will give you an opportunity to explore and develop your relationship with angels. You'll get:

- Some basics about what angels are and what they do... and don't do!
- Personal stories of healing, comfort, and assistance from the angels
- A practical ten-step plan to work with them
- Time with each of the seven archangels to find out about the special qualities that each one can bring into your life
- Space to reflect and write about how partnering with angels can help you to change yourself and the world around you

My Relationship with Angels

1. What realizations did Mrs. Prophet have when she had a vision of millions of angels? (p. 1)
2. What is a dictation? (p. 2)
3. In what ways did angels help Mrs. Prophet in her personal life? (p. 3)
4. You hear a lot about angels these days. Do you have stories or feelings to share about angels?

How to Work With Angels: An Introduction to the Ten-Step Plan

1. Name some of the ways that angels have helped people (p. 5)

2. How can you get angels to help you? (p.5)

3. What are angels? (p. 7)

4. Why do they answer our prayers for help? (p. 7)

5. What three things are essential to remember if you expect the angels to answer your call? (p. 9)

6. What's the one rule that angels seldom break? (p. 9)

7. What would you like to gain from this book study?
How would you like to have the angels help you?
Are there certain areas of your life that could be going better?
Relationships? Work? Health?
